

Pearson Medallion Award Ceremony 2015

Kuala Lumpur, 7 Sept 2015 - Two students from Despark College were awarded excellence with Pearson Medallion Awards for the outstanding performance in the BTEC Higher National Diploma projects in Malaysia. Congratulation to students and once again, Despark College proved its excellence education by receiving "Centre of Excellence" from Pearson.

Despark College has truly honoured to be recognised as the only one institution that received "**Centre of Excellence**" among all automotive colleges whichever provide BTEC courses in Malaysia. We are really proud with our students, Isaac and Joshua and all educators! Despark College will constantly looking for better implement of new technologies and innovation to improve the qualification of not only automotive but also aviation education. Despark College strives to be the hub of engineering centre in Malaysia.
