

PROFESSIONAL TRAINER NURTURE **QUALITY STUDENTS**

In 2015, Despark College is the only winner in Asian Countries for Automotive industries.

Our professional educators undergo training from time to time to upgrade their practical knowledge and skills towards the latest and most advanced technologies. Therefore, we nurture quality students.

Despark College is delighted to be informed that our nominee trainer has been awarded a City & Guilds Medal for Excellence in recognition of their outstanding performance in delivering the Transport Maintenance qualifications at Despark College for year 2014.

City & Guilds 'Medal for Excellence' is a global programme that has been running for over 100 years. It recognizes the achievement of our learners and lecturers/trainers in the UK and internationally who produce exceptional work, or overcome the odds to achieve their goals.

Despark College will continue to work hard and looking forward to receive more awards for coming years.
