

# Shell #lovemyride festival

500 lucky cars are given 15,000 litres of Shell V-Power fuel & 6,000 litres of Shell Helix Ultra with PurePlus Technology. Shell Malaysia successfully set a record for 'most numbers of cars in a lubricant changing event in 12 hours' with the Malaysia Book of Records.

Despark College's students and supporting staff from HQ, Penang and Malacca branch had participated as Student-Service Mechanics in the "Love My Ride" event held on 13 & 14 June 2015. The event has earned a place in the Malaysia Book of Records for "The Most Number of Cars in Lubricant Change".

A great recognition of the contribution is placed to those our students and supporting staffs.
